DEATH OF LITTLE PHYLLIS SHELTON.

July 30th, the death angel visited the home of Mr. and Mrs. J. M. Shelton of West Green St., and took away their only child Lester Phyllis, age 2 years, 1 month and 30 days. Little Phyllis was an unusual sweet and attractive child, winning friends among all who knew her. Always happy and bright, a mother's joy, a father's pride. She was a faithful member of the Cradle roll of the First Christian church of High Point.

Her casket was literally covered with floral designs given by the members of the Cradle roll and friends. She will be greatly missed by many friends and especially in her home.

The remains were taken to the home of her grandparents, Mr. and Mrs. G. W. Mannings, of Grana, Va., for interment. To the sorrowing family we extend our sympathy and point them to God who will bind up the broken hearts.

Mrs. EDD M. HAYWORTH.

LIGHTNING STRIKES HOUSES.

Lightning struck the home of Dennis Black, five miles southeast of this city, Sunday afternoon and as a result the home with all contents was burned to the ground and two of the occupants badly shocked, Mr. Black and daughter Fannie, the latter being burned as well as shocked. The bolt shattered the glass in a large bureau in the house. The escape of the young girl was most miraculous indeed. The bolt struck her on the head, singing her hair all over and ran down her right side and limb, leaving a blue streak all the way down, then between the second and third toes on through the floor. A considerable hole was knocked in the floor. A doctor was at once sent for, but when he arrived the girl had recovered from the shock and seemed to be all right.

The same afternoon here the corner of the High Point Show Case plant was struck and a fuse and meter burned out, being the extent of the damage.
